Lynn Bradford

Licensed Medical Aesthetician in Charlotte, NC

Since 2019, Lynn Bradford has been passionately helping clients achieve healthy, radiant skin while boosting their confidence and well-being. With experience in laser treatments, microneedling, dermaplaning, microdermabrasion, and more, she provides customized solutions for all skin types. Lynn's approach goes beyond treatments—she genuinely enjoys connecting with each client, understanding their unique goals, and creating a skincare plan that delivers real results.

Her philosophy is simple: skincare is not just about appearance, but about feeling your best in your own skin. Driven by a love for helping others, Lynn combines technical expertise with a warm, approachable style, making every session comfortable, effective, and empowering. Whether it's rejuvenation, maintenance, or addressing specific concerns, Lynn is dedicated to helping every client look and feel their absolute best.
